The p tag defines a paragraph. Browsers automatically add a single blank line before and after each p element.

---

the br tag inserts a single line break. The
tag is useful for writing address or poems. The
tag is an empty tag which means that it has no end tag.

> The Blockquote tag specifies a section that is quoted from another source. Browsers usually indent blockquote element

```
This is preformatted text. It preserves spaces and line breaks.
```
